

The screenshot displays the Fast2SMS Developer API dashboard. The top navigation bar includes the Fast2SMS logo, a balance of ₹55.00, and an 'ADD CREDIT' button. The left sidebar contains various service and account management options. The main content area is divided into three tabs: 'Dev API' (active), 'API Key', and 'Security'. The 'Dev API' tab shows configuration options for the API, including language selection (English is chosen), flash message settings (No is chosen), and a contact number (6379495765). A red button labeled 'READ API DOCS' is located below the contact field. On the right side of the dashboard, a black box provides the GET request URL and the required query parameters for the bulkV2 endpoint, including authorization, route, message, language, numbers, and flash.
